The Scrapper

***Senior Class
Liberty High School
Liberty, North Carolina***

Foreword

Remembrance is the theme of our 1957 SCRAPER. We believe that often in the years to come each of us will take his copy off the shelf and relive some of the experiences--the gaiety, the tears, the study, the companionships--of our last year at Liberty High. We shall probably say--"That's How It Was When I Was A Senior."

Dedication

To our community,
for its continuous interest in
our school and especially
for its work and contributions
to provide us with a gymnasium,
ive, the Class of 1957, do humbly
but gratefully dedicate this edition
of The Scrapper.

QUALITY VS. PRICE

Don't try to buy a thing too cheap
From those with things to sell.
Because the goods you'll have to keep.
And time will always tell.

The price you paid you'll soon forget.
And the goods you get will stay:
The price you will not long regret-
The quality you may.
